

Customer Confirmation of Income Qualification

The New Mexico Community Solar Program prioritizes participation of income qualified customers. An income qualified customer is anyone with a household income at or below 80% of Area Median Income, as defined by the U.S. Department of Housing and Urban Development (HUD). Income qualified customers can confirm that they qualify by completing this form.

Household Information:

| | |
|--|--|
| Address: | |
| Number of People in my Household: | |
| New Mexico County: | |
| My annual household income before taxes is less than or equal to: <i>Enter the HUD 80% Area Median Income limit for the customer's household size and county. Refer to the charts on pages 2-4.</i> | |

By signing this document, I declare that all information listed is complete and accurate.

Name (print or type): _____

Signature: _____

Date: _____
