

NEW MEXICO
**COMMUNITY SOLAR
 PROGRAM**

Customer Confirmation of Income Qualification

The New Mexico Community Solar Program prioritizes participation of income qualified customers. An income qualified customer is anyone with a household income at or below 80% of Area Median Income, as defined by the U.S. Department of Housing and Urban Development (HUD). Income qualified customers can confirm that they qualify by completing this form.

Address:	
Number of People in my Household:	
New Mexico County:	
My annual household income before taxes is less than or equal to: *	

**Enter the HUD 80% Area Median Income limit for the customer’s household size and county.*

Los Alamos County	
People	Income Limit - 2026
1	\$74,800
2	\$85,450
3	\$96,150
4	\$106,800
5	\$115,350
6	\$123,900
7	\$132,450
8	\$141,000

Instructions for how to fill out this form, including instructions on calculating income limits for households greater than 8 people are available at:
csnewmexico.com/subscriber-organizations/low-income-subscriber-verification-instructions/
